Criteria: A B C D Considerations: A B C D E F G None

Justification for decision: (Use continuation sheet if necessary and attach map)

Based on the available information, this single family dwelling located at 219 Branch Street in Berlin, is not individually eligible for the National Register of Historic Places. The two-story, frame house with gable roof dates to the early twentieth century. Its numerous alterations, including siding, windows, and side carport have eroded its architectural integrity. Thus it does not meet Criterion C for architecture. The house has no association with significant persons or events, and thus does not meet Criteria A or B. Finally, the house is not located within any known historic district.

Documentation on the property/district is presented in: Project file
